

# 自動商談用連絡先登録のお願い

2021年12月より、「自動商談システム」を導入致します。

従来の商談は、流札後各システムにて受付を行い、商談コーナーにてスタッフにより商談のコントロールをしておりましたが、システム導入後自動的に商談の成立・不成立を行います。出品店様は、商談を円滑に行えるよう事前にAI-NETより、商談連絡先の登録をお願い致します。

The screenshot shows the AI-NET website interface. At the top, there is a navigation bar with various icons and buttons. A red box labeled '1' highlights the 'メール通知サービス' (Email Notification Service) button. Below the navigation bar, there is a sub-menu with a red box labeled '2' around the '連絡先登録' (Contact Registration) button. The main content area contains a form with a red box labeled '3' around the input fields for '携帯電話番号' (Mobile Phone Number) and '担当者名' (Responsible Name). Below the form, there is a 'クリア' (Clear) button. At the bottom, there is a red box labeled '4' around the '商談自動用 連絡先登録' (Contact Registration for Automatic Negotiation) button. Below the button, there is a 'サービス停止' (Service Stop) button and a '戻る' (Back) button. The text below the buttons explains that the contact registration is managed by member number and that an SMS will be sent to the specified mobile number after registration. It also notes that the SMS service is for smartphone use and that multiple messages may be sent if using aガラケー (feature phone).
