The screenshot shows the AI-NET website interface. At the top, there is a navigation bar with buttons for "Members", "Information", "Current Status", and "Logout". The "Members" button is highlighted with a red box and the number 1. Below this is a secondary navigation bar with a search box and various service links. The "Resetting" link is highlighted with a red box and the number 2. The main content area is titled "Resetting your password" and contains the following elements:

- A red instruction: "Please enter 'email address' and 'password' in the box and then push 'Resetting' button."
- A status indicator: "Currently Logged in user 000aaa00"
- A form with five input fields:
 - Email Address (highlighted with a red box and number 3)
 - Email Address (Confirmation)
 - Old password (highlighted with a red box and number 4)
 - New password (highlighted with a red box and number 5)
 - New password (Confirmation)
- A "Resetting" button (highlighted with a red box and number 6)
- A red note: "※ Password should be at least 6 characters and less than 8 characters and also contain both half width alphabet and numbers."
- A red note: "※ It usually takes a few minutes in order to change your password."

6 If you click "Resetting" button, confirmation screen will be appeared.

Click "Submit" button, then your password will be reset.

※If you have additional user ID, You will be able to see which user is currently Logged in. Please inform password change to them by yourself.

※Please note that it may take a few minutes to comply your request.
