

A new invoice system will start on Oct 1st, 2023

Submission of the “Eligible Invoice Issuer Application” to the authorized tax office is necessary from March 31st, 2023.

With this new system, “registration number” must be stated when issuing all invoices, therefore, customers who need to issue invoices have to register in advance.

Registration number application has been starting **since October 1st, 2021** at the tax office. The registration may take some time, so please prepare early.

Please notify us immediately if you have received the number.

You may not be able to join our auction from Oct. 1st, 2023 without the registered number.

Please refer to the URL below for further details.
