How to Apply for the Slide Service

You can apply for the Slide Service from "6. Purchased Vehicles" on My Page. Select the Product Category, Auction Venue, and Auction Number, then click "Next." A list of your purchased vehicles will be displayed below.

Click the Lot Number of the vehicle for which you want to extend the payment deadline. The Vehicle Details page will open.

2

In the "Slide Service (Payment Extension) Application" section, enter your Phone Number and **select the extension period (4 weeks or 7 weeks)**. The extension fee will be displayed automatically.

Click "Apply for Slide Service." When the confirmation message appears, click "OK" to complete your application. A confirmation notice for approved vehicles will be sent by fax on the next business day.

- ※ All vehicles purchased in the same auction must use the same extension period (4 or 7 weeks).
- ※ The Slide Service credit limit is generally up to ¥3,000,000. For some members, the credit limit is determined by the auction venue. Your available credit is automatically restored after payment.

How to Check Your Slide Service Application Status

1

Go to **My Page** > **"29. Slide Service Applications."**

Select the Product Category, Auction Venue, and Auction Number, then click "Next." A list of your Slide Service applications will be displayed. The Status column shows **Pending**, **Approved**, or **Rejected**. When the status changes to **Approved**, your application has been completed.

If the status is Rejected, click the **Lot Number** to open the Vehicle Details page and view the reason for rejection.

2

You can check your **Slide Service credit** on **My Page** > **"30. Slide Service Credit Information."** Your **Extended Amount** and **Available Credit** are displayed.

The maximum Slide Service credit is ¥3,000,000 per auction and segment. After payment, your available Slide Service credit is automatically restored.

Using the Slide Service restores your auction credit limit, allowing you to continue bidding without waiting for your payment to be processed.

A screenshot of the 'Slide Credit Information' page. It shows a table with columns: 会場 (Venue), 開催 (Event), 申込額 (円) (Application Amount (Yen)), 購入額 (円) (Purchase Amount (Yen)), and 申込残 (円) (Application Balance (Yen)). The table is filtered by 'スライドPOS' (Slide POS) and '99961'. The '購入額 (円)' and '申込残 (円)' columns are highlighted with red boxes.

会場	開催	申込額 (円)	購入額 (円)	申込残 (円)
仙台	4輪	3,000,000	0	3,000,000
小山	4輪	3,000,000	2,400,000	600,000
