

Various functions of AI-NET are available in your hand!

# AI-NET MOBILE

**AI-NET Mobile Application  
Now on Release!**

**Available on both iPhone  
and Android!**

You can get the same information as the web version of AI-NET on smartphones and tablet devices!

**Proxy bidding and  
negotiation applications  
are also available!**

Anytime, anywhere, you will never miss a chance of winning bids!

**Easy to register for listing!**

No need to prepare an exhibit form!

**Condition reports are also  
on AI-NET mobile!**

You can check the inspection details with the QR code attached to the exhibited vehicle!

How to create a new AI-NET account, please scan the QR code below to access the website.
