# Example of Arai Auction Exhibit Application Form Passenger car

# If the information is on the vehicle inspection certificate, please check the certificate and fill in the correct information. Please do not fill in the form beyond the frame.

## Notes on filling in the mileage

#### mileage

Confirm that there is no mileage return in the remarks of the vehicle inspection certificate and fill in the current vehicle odometer.

# Additional information on mileage

 $\label{eq:please} Please \ fill \ in \ O \ for \ the \ appropriate \ one \ and \ details.$ 

#### \*Meter tampering

Vehicles for which it can be confirmed from the record book, vehicle inspection certificate, or driving management system that the meter has been rewound.

#### \$ Meter replacement

Vehicles with proof of meter replacement in the maintenance record book. % Provable documentation must be submitted.

#### #Unknown mileage

Vehicles that can't be confirmed actual driving due to a defective odometer.

#### Vehicles with mileage sign

For vehicles with mileage meters, please convert miles into kilometer (miles x 1.61). Fill in the current vehicle's mileage meter in additional information about mileage.
